2021  
XMAS  
GIFT  
GUIDE

## MERRY CHRISTMAS FROM TIME2

This Christmas why not give the gift of  
peace of mind!

Give homeowners the ability of knowing  
their house is secure... Give reassurance to  
carers that their loved ones are safe... Give  
new parents the comfort of knowing their  
baby is happily asleep.

At time2 we know the importance of feeling  
safe and having the ability to protect and  
monitor all that you love and value, because  
of this we have put together the ultimate  
Christmas gift guide.

Need a gift idea? Look no further...

## Ella Smart WiFi Bulb

The Ella Smart Bulb is the ideal gift for any tech lover, why have a normal bulb when you can have a multicoloured bulb? Forget about having to get up to switch off the light, with Ella you can do it from anywhere on your smartphone or table. 7W bulb equivalent to 60 watts. Each Watt produces 85 Lumens.

- Paired with Amazon Alexa or Google Home, you can now control all your lighting with voice commands.
- Set schedules to switch lighting on/off at specific times. Control a group of lights together.
- Choose from over 16 million colours. Change the brightness and choose from preset scenes to control the mood.
- A+ rated Smart Bulb which lasts up to 50,000 hours saving you money. CE, RoHS approved.

# GIFTS FOR TECH LOVERS

Under  
£25

## Arthur Smart WiFi Plug Socket

Gift an Arthur this Christmas and make someone's life a little bit easier, you can control your Arthur from anywhere on your smartphone or tablet. There is no need to worry that you have left the iron on or hair straighteners, you can just have a look on the app and switch them off if you have.

Arthur works with Amazon Alexa and Google home assistant. Use voice control and intelligent automation to control your smart plugs.

**NEW Energy Monitoring Feature** - Arthur monitors real-time and historical energy consumption of your appliances, helping you save energy and cost!

**Create Schedules** - Want the living room lamp to turn on at sunrise and off at sunset automatically? Create a customised schedule to turn Arthur on/off with automatic timers and schedules for every day of the week.

**Simple Setup** - Setup within minutes. Compatible with iOS and Android devices and Amazon Alexa and Google Home.

MERRY  
CHRISTMAS!
